e-DigiVault – Privacy Policy

Last Updated: 20th November 2025

e-DigiVault ("we", "our", "us") is a coordination and follow-up service provider that assists individuals and businesses in tracking, managing, and monitoring government-related documentation and application processes. We do **not** create, modify, or issue any official documents. All documents are issued solely by the respective government authorities.

We are committed to protecting your privacy and ensuring that your personal information is handled securely and responsibly. This Privacy Policy explains how we collect, use, store, protect, and disclose your information while using our services.

1. Information We Collect

We collect information only for the purpose of providing coordination, follow-up, and tracking services. This includes:

1.1 Personal Information

- Name, address, phone number, email ID
- Aadhar number, application numbers, registration numbers (only when required for tracking)
- Date of birth (for personal records follow-up)
- Account/portal login IDs shared for follow-up (we never store passwords)

1.2 Document Information

We may collect *copies* or *details* of documents required for tracking purposes, including:

- Business documents
- Revenue/property records and documents
- Personal documents (Aadhar, Voter ID, PAN, etc.)
- Application receipts, acknowledgment slips, challans

Note: We do **not** create or issue documents; we only coordinate with the concerned departments.

1.3 System Information

- IP address
- Device information
- Browser information
- App usage data
- Location (only if you voluntarily submit GPS photos for attendance or verification)

2. How We Use Your Information

We use your information strictly for lawful and service-related purposes such as:

- Coordinating with government departments
- Tracking the status of applications/documents
- Updating you about progress, delays, or required corrections
- Improving service accuracy and response time
- Maintaining internal records and logs
- Ensuring security and fraud prevention

We **never** use your information for marketing without your consent.

3. How We Store & Protect Your Information

We take extensive measures to safeguard your information through:

- **End-to-end data encryption**
- **Secure servers and protected storage systems**
- **OTP-based access control**
- **Live banking-graded security features**
- **Restricted internal access to authorized staff only**
- **Regular audits and monitoring**

We **never** store passwords or OTPs
We **never** share your information without your permission
We **never** sell or misuse your data

Your documents are stored only for service continuity and are deleted upon your request.

4. Sharing of Information

We may share your information only in the following situations:

4.1 With Government Departments

Only when necessary to:

- Check application status
- Submit corrections
- Track follow-ups
- Resolve pending issues

4.2 With Service Partners

Only with verified partners who:

- Assist with fieldwork
- Support documentation follow-up
- Provide backend technical support

All partners follow strict confidentiality agreements.

4.3 Legal Requirement

We may share information when:

- Required by law
- Ordered by a court
- Needed to prevent fraud or misuse

We **never** share your information with third-party advertisers.

5. User Rights

You have the right to:

- Access the data we store
- Request correction of incorrect information
- Request deletion of your stored documents
- Withdraw consent anytime
- Ask for clarification or details of your data usage

All requests will be addressed within **7–15 working days**.

6. Data Retention

We retain your data only as long as necessary for:

- Tracking and follow-up
- Legal and audit requirements
- Service continuity

You may request permanent deletion at any time.

7. Consent

By using e-DigiVault services, website, mobile application, or submitting documents/data, you agree to the terms in this Privacy Policy.

8. Policy Updates

We may update this Privacy Policy as needed due to:

- New services
- Legal changes
- System improvements

Users will be notified of major changes through email/SMS/app notifications.
