
FREQUENTLY ASKED QUESTIONS (FAQ)

1. What does e-DigiVault do?

e-DigiVault provides follow-up, coordination, and tracking services for government-related documents such as business registrations, land records, revenue documents, and personal IDs.

2. Will I get government documents directly from e-DigiVault?

No.
We only coordinate and follow up with the respective departments.
All documents are issued only by the government authorities.

3. How does e-DigiVault ensure document security?

We use a live banking-graded system with encrypted storage and unique OTP-based access for complete security.

4. What services do you cover?

We assist with:

- Revenue records (Khatha, RTC, Mutation, Tax Paid, EC, etc.)
- Business records (MSME, Trade License, Land Conversion follow-up, etc.)
- Personal records (Aadhar, PAN, Voter ID, DL, Birth/Death Certificate, Family Tree)

5. How long will my work take?

Timelines depend on government department processing, not e-DigiVault.
We ensure continuous follow-ups until the process is completed.

6. Do you charge government fees?

No. Government fees must be paid separately by the customer.
e-DigiVault charges only for service, follow-up, and coordination.

7. Can I track my work status?

Yes!
You can track updates through our e-DigiVault platform and receive regular notifications.

8. What if my application gets rejected?

e-DigiVault is not responsible for rejections, as decisions are made by government departments. However, we will assist with re-submission if possible (service charges may apply).

9. How can I share documents with you?

You can upload documents securely through our e-DigiVault portal or share them directly via our representative.

10. Do you offer doorstep service?
